Reasons to Study

“Why should I study the Bible?” said Brad to his mother. “I go to Sunday school and church. You and Dad always tell me stories from the Bible. I don’t need to study the Bible.”

“Anyway, the Bible is too hard to read,” Brad said. “I can’t study the Bible.”

“Brad, of course you can study the Bible,” Mother said. “God wants you to study it. He knows all about you. He wants you to know about Him,

too. I’m glad that you can go to Sunday school and church. I’m glad that we can tell you stories about the Bible.”

“Brad, God wrote the Bible for you to read for yourself,” said Mother. “What if you wrote a long letter to your friend? In your letter, you told everything you wanted him to know about yourself. You told everything you wanted your friend to know to help him live a good, happy life. You also told him how he could live forever and ever. Now, Brad, what if your friend never wanted to read the letter? Oh, he heard about the letter. People had told him what it said. He thought it would be too hard to read the letter. So he never read it for himself. Brad, how would you feel about this friend?”

“Oh,” Brad shook his head, “I would feel very bad and very sad. I would wish very much that he would want to read it. I would want him to try even if he thought it was too hard.”

“Brad,” Mother said, “God’s Word is a letter to you. Would you like me to help you learn how to study it?”

Now Brad knows how God must feel when people do not want to study His Word. Brad said, “Yes, Mother, I want to learn. Please help me.”

Old Testament

Mother told Brad that the Bible was written many, many years ago. Part of the Bible was written hundreds of years before Jesus lived on Earth. That part is called the Old Testament. The other part of the Bible is called the New Testament. The New Testament was written after Jesus died on the Cross, rose from the dead, and went back to live in heaven.

Old Testament

New Testament

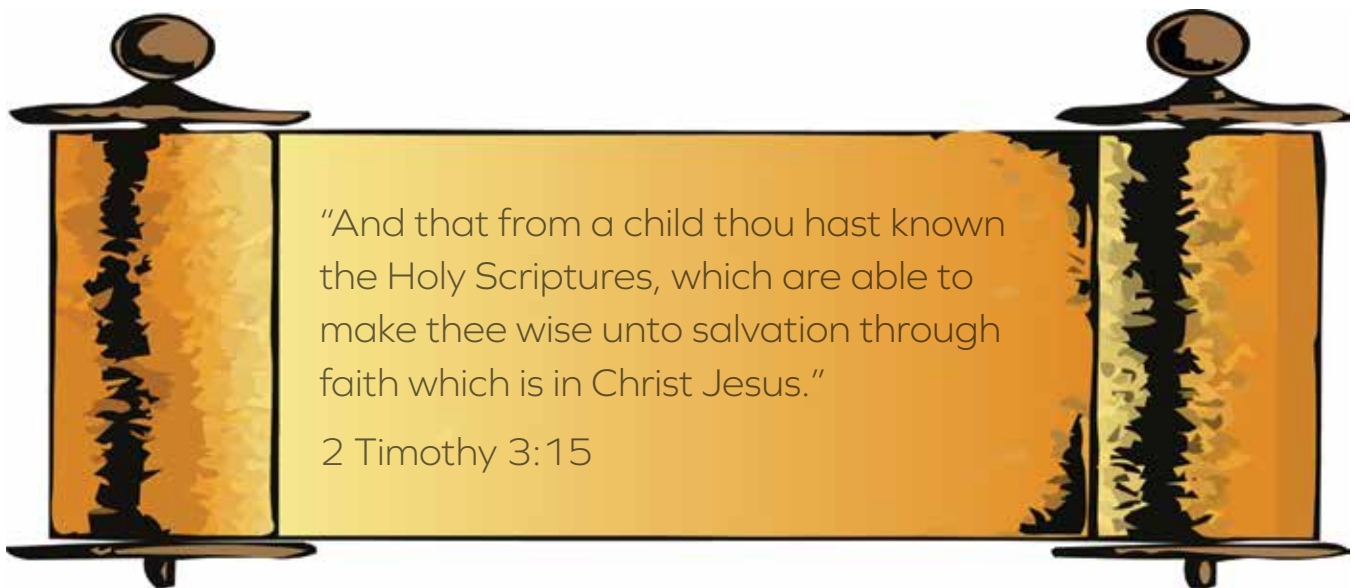

God spoke to men and women. We call them **prophets**. Prophets told the people what God had said. God's Words were written down so that they would be remembered. The words were not written in a book like our books. Long ago, big **scrolls** were used to write on.

Today, God's Word is printed in a book called the Bible. The Bible is printed in many different languages. People all around the world can read the Bible in their own language.

Make a scroll.

Write all of your memory verses on it for this LIFE PAC. Ask your teacher for paper, sticks, and directions.

Mother told Brad that we should study the Old Testament. It teaches us about God’s promises. It teaches us how to live and worship God. It teaches us about the coming of Christ that God promised to Israel.

The Old Testament has thirty-nine books. The groups of books will help you remember all the names.

OLD TESTAMENT BOOKS	
Genesis	tells the beginning (written by Moses)
Exodus, Leviticus, Numbers, Deuteronomy	tell how to live (LAW) (written by Moses)
Joshua, Judges, Ruth, 1 Samuel, 2 Samuel, 1 Kings, 2 Kings, 1 Chronicles, 2 Chronicles, Ezra, Nehemiah, Esther	tell the history of Israel (History books)
Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon,	tell how to be happy (Wisdom books)
Isaiah, Jeremiah, Lamentations, Ezekiel, Daniel	tell about God’s messages to Israel (Major prophets)
Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi	tell about more messages from God to Israel (Minor Prophets)

The books of the Minor Prophets are as important as the books of the Major Prophets. The books of the Minor Prophets are just shorter in length.

The thirty-nine books of the Old Testament were written by about thirty-two different men. The writers of some books are unknown. It took over 1,600 years for them to be written. The Old Testament was first written in the Hebrew language.

Read the names of the Old Testament Books.

Ask for help if you cannot read the words.
