

# THE Collegiate Academy EXPERIENCE

BUILDING CONFIDENCE THROUGH  
CLEAR PATHWAYS TO COLLEGE

## What is the Collegiate Academy?

The Collegiate Academy through Oklahoma Christian University is a partnership with your school that allows any high school student recommended by your counselor to take a college level course and also earn high school credit towards graduation at the same time. Your student will receive layered support as they build confidence that they can be successful with college-level learning.

There are four ways to participate in these fully online courses through The Collegiate Academy at Oklahoma Christian University.

### Individual Courses

A single dual credit course helps students gain confidence that they can succeed with college-level learning.

### +1 Program

This course sequence creates a plan for students to knock out a full year's worth of college before they get their high school diploma.

### Core Course Bundles

Our Core Four collection includes courses that are most likely to apply to a variety of degree programs. You can also create your own bundle.

### Associate Degree

A complete associate of science degree is available to complete during high school.
