

NFC ACADEMY

BOOK PROGRAM ORIENTATION

ACCREDITED BOOK PROGRAM GRADES 1-5

You have selected NFC Academy's Book Program for your homeschool program in grades 1-5. This Orientation is prepared to provide you with some suggestions for starting your school year program.

Things we will cover in this orientation for your new school year:

- **Review of the courses to be covered:** Your daily schedule is flexible as what works best for you, but the courses include Bible, History, English-Language Arts, Math, and Science. There is a World Language option for Spanish.
- **NFC Academy Daily Lesson Planner:** Besides your student books and teacher guides you will have our daily lesson planner that tells you how much to cover each session so you know you are staying on schedule.
- **Grading using your online gradebook:** Each worktext will have Self-Tests and a Unit Test which makes up the grades for the course. Language Arts has a Spelling Test and there are grades the home teacher gives to the student for oral work in all courses.

YOUR COURSES

- **Bible** as you learn about things of God.
- **History** takes you into the student of local, national and world events in history.
- **Language Arts** is preparing the student with all the aspects of grammar, writing and spelling.
 - Readers separate for 1st grade.
 - Reading is included in the Language Arts books for grades 2-5.
- **Math** includes basic math skill development including Algebra and Geometry concepts.
- **Science** engages the student's interest in the world around them through study and experiments.
- **World Language** in Spanish with the Middlebury World Language program.

LAUNCH KITS FIRST & SECOND GRADE

- Getting these young learners in first and second grade started right.
- Visuals and tools for teaching and learning.
- Counting bears and 2-sided number chart.
- Addition and subtraction flash cards.
- Blended sounds flash cards.
- Clock, Character pencil, penmanship chart and more.

NFC ACADEMY DAILY LESSON PLANNER

- No worries about what to complete each day.
- You can focus on teaching and your child.
- Will help keep you on track to finish your homeschool year on time.
- For each course...will give you the work to be completed each school day.
- Flexible to your schedule. When you need to make a change, you are in charge.
- The Lesson Planner and your school year take into consideration all Academy student holidays.

YOUR ONLINE GRADEBOOK

MAKING GRADING EASY

- Use your online gradebook to record all grades.
- Self-tests, Spelling Tests, Teacher Grades and Unit Tests.
- Gradebook calculates averages when you enter grades.
- View the video we have prepared on steps for entering your grades.
- Our staff can help you with a video conference.

MORE THAN A CURRICULUM

- Your NFC Academy Daily Lesson Planner gives you what to cover each school day in your courses.
- The RenWeb Parent Portal is available for you to manage your account and view/print your report cards.
- To enter the grades for all courses you will login at the Ignitia login on the NFC Academy home page.
- When sending the unit tests for each completed course in units 1-5 and units 6-10 use the convenient upload feature on the website, scan and email to us, or mail the copies.

- NFC Academy will take care of your Report Cards. Just send us the copy of each unit tests when units 1-5 are done and then units 6-10 and we will create your formal Report Card.
- School Holidays...Your school year given to you when books are shipped include, if you chose to take the traditional school holidays, Thanksgiving, Christmas, MLK Day, Labor Day, Memorial Day, Summer Break, Spring Break and more.
- Want to give your student a head start in Spanish. Doing so while young is a good way. Consider our online Middlebury Spanish for K-5th grade. It is affordable and all online and taught by an NFC Academy teacher.

Report cards, Holidays & Spanish

MATH RESOURCES GRADES 1-5

- Use your math resources everyday you study math.
