

NFC ACADEMY ORIENTATION

HOMESCHOOL ADVANTAGE – GRADES 3-12 ONLINE

HOMESCHOOL ADVANTAGE

NFC Academy Teachers - Homeschool Advantage Program all online from grades 3-12.

Program that uses our highly qualified NFC Academy teachers as the primary teacher.

Home support is essential to engaging and supporting the student. We are not at home and depend on the parent being involved.

Stay connected with your student as they work online using the Parent Portal.

Full-time students are taking five to six courses in this Homeschool Advantage Program.

IGNITIA & EDGENUITY ONLINE PROGRAMS

TWO ONLINE PROGRAMS

- The primary online program for students is the Ignitia online program. Students will log into Ignitia using the logo for Ignitia on the NFC Academy website. While you may search for Ignitia online, students must login using our specific login link for NFC Academy.
- Edgenuity is a program students taking some honor's courses will use. The login for these courses also will use the logo for Edgenuity on the NFC Academy home page.

- Engaged parents in homeschool online are essential for the student's success.
- Use your Ignitia Parent Portal wherever you are.
- RenWeb Portal for managing account and report cards.
