

NFC ACADEMY

HOMESCHOOL EDITION
ONLINE 3-7
ORIENTATION

Welcome to the Homeschool Edition Program at NFC Academy.

An online program for grades 3-7 where the parent is the primary teacher.

Everything you need for your Homeschool will be online for you as the teacher and for your child.

The exact same program that our NFC Academy teachers are leading in the Homeschool Advantage Program.

Accredited K-12 Program

You are the teacher in this program, but we will have the support you need in our offices and with your Resource Assistant so you are never by yourself as you homeschool.

YOUR COURSES FOR THE YEAR

BIBLE

Your Bible program will provide your child a broad look at key areas.

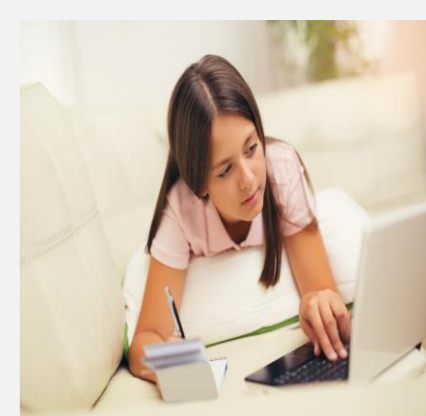

HISTORY

History will relate to the student the story of our past to the current time.

LANGUAGE ARTS

Studying our language and its parts to be skilled in your communication.

MATH

Learn basic math to early algebra and geometry principles.

SCIENCE

Studying God's creation and the various science disciplines.

TEACHING

No greater role than working with your child in their school programs.

All Online

Everything is online for the student including their library, math videos, and virtual labs.

Grading Done

Most grading completed by the computer and the home teacher does the rest.

Work In Order

All daily assignments, quizzes and unit tests must be completed in order in each unit.

More Than Just An Online Curriculum

With NFC Academy we have provided resources for both the home teacher and the student. Use these daily for your homeschool program!

Where To Login

Students and parents login using the Ignitia logo on our website.

Britannica School

For much of your research you will use Britannica Online.

Gale Online

Gale online library available with our login and password.

Math Library

Use this math library of videos every day you work on math.

- Complete the Ignitia video training on the Homeschool Edition web page.
- Your RenWeb Parent Portal is where you go to manage your account and see report cards when your Resource Teacher completes them.
- Have questions? Contact your Resource Teacher or our office staff.
- This is the exact same program that our NFC Academy teachers are leading in the Homeschool Advantage Program.

Homeschool Edition Training

Use the videos and printed material on the Homeschool Edition Training web page.

TEACHING

No greater role than working with your child in their school programs.

Academic Report

Our monthly report notifies you of the amount of work completed to help keep on track.

Report Cards

Report cards are completed by the Resource Teacher when each semester is completed.

School Holidays

We follow a traditional schedule for holidays that students can take and be sure they will finish on time.
